2012 Con-Tech Lighting Award Official Rules and Entry Form

awards

The Con-Tech Lighting Awards recognize and honor the excellent work of designers, architects, engineers and contractors. Entries are judged on creativity, originality and effective use of Con-Tech products. Entries are accepted in many categories including, but not limited to: **Commercial, Hospitality, Residential** and **Retail**. In addition to the recognition and trophies awarded to each winner, **\$2,000** will be awarded to the Specifying Designer, and **\$1,000** will be awarded to the participating sales representative organization.

official rules

The competition is open to all designers, architects, engineers, and contractors who use Con-Tech Lighting fixtures.

Contestant must be the principal specifier or representative of the Con-Tech Lighting fixtures used in the submitted installation. If winning contestants are members of a design team, entrants must designate a representative individual as award recipient.

Submissions, including photographs, become the property of Con-Tech Lighting and cannot be returned. Contestants may submit as many different installation entries as desired, but an individual entry form must accompany each submission. Con-Tech Lighting installations must have been completed between January 1, 2011 and March 31, 2012 to be eligible for the current contest. Entries must be received by April 30, 2012, to be considered for this award. Submit entries online at www.con-techlighting.com or via U.S. Mail.

Entries will be judged on creativity, originality and effective use of Con-Tech lighting products. Winner will receive a trophy, cash award and national recognition.
