8W LED Quick Release Pendant  
and Decorative Shades

## WHAT SETS US APART

### INNOVATION

We combine the latest energy efficient technology and design styles to create an extensive range of attractive and sustainable luminaires. We have over 5,000 products, including many high performance products that can't be found anywhere else. Our EcoTechnology solutions offer sustainable energy solutions that meet the qualitative needs of the visual environment with the least impact on the physical environment.

### SUSTAINABILITY

At ConTech Lighting, our commitment to the environment is as important as our commitment to innovation, quality and our customers. We believe that lighting can be environmentally responsible and energy efficient, while providing high-quality performance and outstanding aesthetic design. EcoTechnology applies to our daily operation as well as to our products; from materials, manufacturing and transportation to the disposal process for our products and by-products.

### QUALITY

We use the best components and manufacturing methods resulting in the highest quality fixtures. From cast housings and high performance reflectors, to the testing of each ballasted fixture before it ships, ConTech Lighting is defined by its quality. For consistency, we use only the most reliable LED chip makers including Cree, Nichia, Lumileds, Bridgelux and Sharp.

### SERVICE

Our responsive, personalized customer focus, and market expertise represents an oasis of outstanding service in an industry that values it, but frequently doesn't receive it. We are here for you, live and in person, Monday through Friday 7:30am – 5:30pm CST.

### PRODUCT AVAILABILITY AND SPEEDSHIP®

Our products are in stock and ready to ship. Our unique SpeedShip™ process helps us toward our goal of shipping 100% of placed orders within 48 hours; at no additional cost to you.

### MARKET EXPERTISE

Each market has its own unique lighting challenges. Designs can get tricky, having to verify every fixture, test every connector and make certain that every length of track is just right. We have an experienced staff of sales professionals to assist you with your projects from concept to completion.

### ConTech LIGHTING AWARDS

The ConTech Lighting Awards recognize and honor the excellent work of designers, architects, engineers and contractors. Entries are judged on creativity, originality and effective use of ConTech products. # 8W LED Quick Release Pendant

This high performance, eco-friendly LED pendant delivers 600+ lumens; matching the output and uniformity of a 50W T4 Halogen, while only consuming 8W, and achieving an efficacy of over 75 lumens/watt. The unique omni-directional light output provides even illumination of the shade, as well as a strong downward punch of light; providing functional task illumination. Dimming allows smooth illumination down to 10%. Available in 3000K with a minimum CRI of 80, 83 typical. Excellent fixture-to-fixture color consistency within a 4-step MacAdam Ellipse tolerance.

Available in four standard lengths, the pendant cable is also easily field adjustable when custom lengths are needed. Select from six mounting options: line voltage track, line voltage flexible track or four mounting canopies. Fixture is covered by ConTech's full five (5) year replacement guarantee after date of purchase; CSA Certified to UL Standards. Suitable for dry locations.
